Credits \_\_\_\_\_ Approved By \_\_\_\_\_ Date \_\_\_\_\_

## 2. Cover letter

EC-Council University  
Attn: Credit Evaluation  
101C Sun Ave NE  
Albuquerque, NM 87109, US

To Whom It May Concern:

I am applying for the Master of Science in Cyber Security degree program. I am requesting consideration of my application for the prior experiential learning credit program.

I have included all the appropriate documentation to demonstrate my prior experiential learning. I feel confident that the evidence submitted will prove how I have learned through my certifications achieved.

Thank you for your time and Consideration.

Sincerely,

### 3. Your educational Goal Statement

(Describe your career, personal and educational goals.)

### 4. Your autobiography

(Write a short autobiography focusing on past professional and personal learning in the field of Cyber Security)

### 5. Narrative

(This is an overview of the skills learned on each professional certification you are submitting for transfer credit. Focus on the learning objectives for the professional certification and how they align with the objectives for the MSCS program.

[http://www.eccuni.us/index.php/about\\_eccu/programe\\_objectives/](http://www.eccuni.us/index.php/about_eccu/programe_objectives/) )

### 6. Your resume

(Include an up to date resume)

### 7. Documentation

(Provide copies of all professional certifications you have earned which are not expired.)
